

Questionnaire for participants

Hosted by: [NAME OF PARTNER ORGANISATION]

Thanks for taking part in this Mingling Experience. We hope it was a useful and interesting process which has given you the opportunity to better understand the different cultures you interacted with.

If you are a Third-Country National, this is a questionnaire which will help us locate your main interests, your life goals etc. in order to match you with a local who will become your mentor. This mentor will be trained by us so as to apply the best practices to help you in your everyday life and help you better integrate your local society context.

If you are a local, this questionnaire will help us match you with a Third-Country National of whom you will become a mentor. You will receive training from us and all the necessary tools and know-how on how to implement the mentoring sessions and help him/her better integrate the local context.

It is very brief and it will take you only some minutes to fill it in.

Thanks for your time!
